che.  
its the j-r-e-y-e-z  
i need everybody in the buliding to sit down  
and koreea stand uuup  
let me introduce myself  
the names jreyez  
and i move excel  
i gotta stay fly  
im reppin for the north side  
reppin for the seoul  
im better than before.  
im a veteran at war  
when it comes to the hip hop  
leave you haters pissed off  
come on saints\*your lame who you trying kid huh  
and ill eat you up in asian history  
this is for the haters that wanna diss me  
there aint no body bad but chu  
and your friends they cant stand it  
and they laugh at chu  
when they hear the kid flow they like damn son  
i never knew that this country made samsung  
honestly i dont plan  
you can folo me  
chinky eyes  
we got kittenality\*  
that we use up on a regular basis  
how you gonna hate on the ones who created
