[Intro: Kanye West]

How's your son? (all, all, all the things, things)  
He make the team this year? (all, all, all the things  
things)  
Aw th-, they said he wasn't tall enough?  
(all, all, all the glitter in that gold)  
Yeah me we gon' cook this up (now gold is not a reality)  
(real is what you live to be)

[Verse 1: Kanye West]

This is family business  
And this is for the family that can't be with us  
And this is for my cousin locked down, know the  
answer's in us  
That's why I spit it in my songs so sweet  
Like a photo of your granny's picture  
Now that you're gone it hit us  
Super hard on Thanksgiving and Christmas, this can't be  
right  
Yeah you heard the track I did man, this can't be light  
Somebody please say grace so I can save face  
And have a reason to cover my face  
I even made you a plate, soul food, know how Granny  
do it  
Monkey bread on the side, know how the family do it  
When I brought it why had guard have to look all to it?  
As kids we used to laugh  
Who knew that life would move this fast?  
Who knew I'd have to look at you through a glass?  
And look, tell me you ain't did it, you ain't did it  
And if you did, then that's family business

[Hook: Choir]

And I don't care 'bout (all the, all the diamond rings,  
diamond rings)  
They don't mean a thing (all, all, all the things)  
All these fancy things  
I tell you that all (all the glitter) I'm waiting for  
Now all I know I know all these things

[Verse 2: Kanye West]

This is family business  
And this is for everybody standin' with us  
Come on, let's take a family Grammy picture  
Abby, remember when they ain't believe in me?  
Now she like "See, that's my cousin on TV"
