[Verse 1]

I'ma get on this TV, mamma
I'ma, I'ma break shit down
I'ma make sure these light skinned niggaz
Never ever never come back in style
Told 'em I finished school, and I started my own
business
They say, 'Oh you graduated?'
No, I decided I was finished
Chasin' y'all dreams and what you've got planned
Now I spit it so hot you got tanned
Back to school and I hate it there, I hate it there
Everything I want I gotta wait a year, I wait a year
This nigga graduated at the top of my class..
I went to Cheesecake, he was a motherfucking waiter
there

[Chorus]

[Verse 2]

I got a Jones like Norah for your sorrow
Bring more of them girls I've seen in the Aurora
Tammy, Becky, and Laura, or'a Shirley
I'm tryin' to hit it early, like I'm in a hurry
See, that's how dude became the young pootie tang
tippy tow
Rocafella chain, yeah that's my rapper style
Rosary piece, yeah that's my Catholic style

Red and white One's, yeah that's my Kappa style
And I ain't even pledge
Crack my head on the steering wheel and I ain't even
dead
If I could go through all that and still be breathing
Bitch bend over, I'm here for a reason

[Chorus]

[Outro]

I feel a woo coming on, cuz. I feel a woo coming on, cuz
WOO
There it was
I feel some woos coming on, cuz. A couple woos
coming on, cuz
WOO, WOO-acapo
