I'll give to you Paper and pin that's the way that love
begins
if you will marry marry marry marry if you will marry me

Well I don't want your paper and pins if that's how
you say that love begins
well I won't marry marry marry marry I won't marry
you

I'll give to you a silver ball to bounce from the kitchen
into the hall
if you will marry marry marry marry if you will marry me

Well I don't want your silver ball to bounce in from the
kitchen into the hall
and I won't marry marry marry marry I won't marry
you

I'll give to you a rocking chair to sit in the garden and
take the share
if you will marry marry marry marry if you will marry me

Well I don't want your rocking chair sit in the garden
and take the share
and I won't marry marry marry marry I won't ,marry
you

I'll give to you a silver spoon to feed the baby in the
afternoon
if you will marry marry marry marry if you will marry me

Well I don't want your silver spoon to feed the baby in
the afternoon
and I won't marry marry marry marry I won't marry
you

I'll give to you the keys to my chest and all the money
which I posses
if you will marry marry marry marry if you will marry me

Well I might take the keys to your chest and all the
money which you posses

and I might marry marry marry marry I might marry
you

Oh Ha-ha-ha now I see you love my money but you
don't love me
so I won't marry marry marry marry I won't marry
you

Well Ah-ha-ha now I see you'd like to get married but
you don't like me
so I won't marry marry marry marry I won't marry
you
