"Rooftop"

Visit "[Rooftop](#)" on MotoLyrics.com

Ain't easy to be up these days
You're gone, I'm alone, don't know what to do
My world's been going down
Ain't strange there's a new colour blue
painted on the wall
I feel like going nuts right now
See the man turn to clown
Take a look at my head
My world is spinning round and round
Feels weird to be me, don't know what I'm doing

8 days have gone since my life fell to pieces
The only thing for me to do is to run away

Here I am
I'm sitting on a rooftop, laughing my head off
Singing every silly song I know
I'm having a great time, I'm dreaming you're mine
It's too bad I'm alone in this funny world
I'm sitting on a rooftop, laughing my head off
Singing every silly song I know
I'm having a great time, I'm dreaming you're mine
It's too bad I'm alone in this funny world

Is there no one who can tell me
what I'm to do, I'm to say
what to break, to let out?
These feelings that have filled my heart
Come relief, tell a joke, make me smile again
I think I'm going mad, ain't strange
Feels weird, lost cool, won't someone help me?
About to get desperate here
My eyes turning red, my heart getting colder

8 days have gone since my life fell to pieces
The only thing for me to do is to run away

Here I am
I'm sitting on a rooftop, laughing my head off
Singing every silly song I know
I'm having a great time, I'm dreaming you're mine

It's too bad I'm alone in this funny world
I'm sitting on a rooftop, laughing my head off
Singing every silly song I know
I'm having a great time, I'm dreaming you're mine
It's too bad I'm alone in this funny world

I'm sitting on a rooftop, laughing my head off
Singing every silly song I know
I'm having a great time, I'm dreaming you're mine
It's too bad I'm alone in this funny world
I'm sitting on a rooftop, laughing my head off
Singing every silly song I know
I'm having a great time, I'm dreaming you're mine
It's too bad I'm alone in this funny world
