Lying in my bed I hear the clock tick
and I think of you
Caught up in circles
confusion is nothing new
Flashback to warm nights
Those are behind
Suitcase of memories,
Time after ...

Sometimes you picture me
I'm walking too far ahead
You're calling to me and I can't hear
just what you've said
Then you say, go slow
I fall behind
The second hand unwinds

If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time

After my picture fades and darkness has
turned to gray
Watching through windows, you're wondering
if I'm OK
Secrets for so long from deep inside
the drum beats out of time

If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I will be waiting
Time after time

If you fall I will catch you, I will be waiting
Time after time
Time after time
Time after time
Time after time
