I kept it inside
For the longest time
And I can't keep keeping it
All this love that's
Inside of my heart
Maybe it's safer not
To say that I care
Maybe this road won't
Lead me anywhere

[CHORUS:]
But if I don't tell you now
I may never get
The chance again
To tell you that
I need you, tell you
What I'm feeling
If I keep these feelings in
And if I don't
Say the words
How will you hear
What's inside my heart
How will you know then
If I don't tell you now

I'd do anything to
Be in your dreams
And I can't stand
Standing by
With this dream
That's inside my heart
Maybe I'm only gonna
Make a mistake
And there's a chance
Maybe my heart will break

[Repeat chorus]

How will you know
You're inside my soul
Oh it's driving me crazy

'Cause you don't see,
You're the world to me
I'm so afraid to see
The way that
I feel for you

[Repeat chorus] Oh oh If I don't tell you now
