Keating Ronan
"If You Love Me"

Wish I could tell by
The look in your eyes
(Were I stand)
Wish I could tell
What you're feeling inside
(But I can't)
Wish you would say what
I'm needing to hear
(You want me)
Give me a sign that
Would make it all clear
(Just show me)
Don't leave my heart
Out here on the line

[CHORUS:]
If you love me
Let me know
So all of me
Can just let go
You can have me
Heart and soul
If you love me, then
Just let me know

You let me think that
I don't have a chance
(None at all)
You turn away when
I capture your glance
(Should I fall)
And then you say
You've been
Dreamin' of me
(Am I right)
And I don't know what
I should believe

[Repeat chorus]

I wanna give you

What you need
I wanna be there
In your dreams
You gotta show me
That you want it
As much as I do

Wish I could tell by
The look in your eyes
Don't leave my heart
Out here on the line

[Repeat chorus]
