I was full of
Simple dreams, yeah
Thought I'd find her
And be with her full time
She's not mine,
Thought I'd find
A name with mine
4:00 am on Monday morning
And I can't get you
Out of my head
At all, should I call
Hearts gonna
Fall in love again

[CHORUS:]
With love
There is no pride
Should've been strong
Taking changes on
Love isn't wrong
There's nowhere
Left to hide,
Wrong or right
Could it be that
I hold you

I was never one
To beg at all
But I'm dying here for
All of your love

[Repeat chorus]

And all these thoughts
Race through my head
Will it be, that
I'll never have
Your touch,
Your feel
You near to me
Will it ever be

Oh

[Repeat chorus]
