For all I've been
Blessed with in this life
There was an
Emptiness in me
I was imprisoned by
The power of gold
With one honest touch
You set me free

[CHORUS:]
Let the world
Stop turning
Let the sun
Stop burning
Let them tell me love's
Not worth going through
If it all falls apart
I will know
Deep in my heart
The only dream that
Mattered had come true
In this life, I was
Loved by you

For every mountain
I have climbed
And every raging
River crossed
You were the treasure
That I longed to find
Without you love
I would be lost

[Repeat chorus]

In this life,
I was loved by you
