"Speak Peace"

Speak Peace Lord, Jesus.
Clam the raging sea.
Fill my heart with joy.
Put my soul at ease.
Calm the raging tempest that tatters the naked shore.
Keep me in your will Lord. Feed me 'till I want no more.

Speak Peace in my life
Speak Peace in my home
Fill me where I'm empty
When I'm weak
make me strong

Speak Peace, peace
Oh Lord speak peace

When my trials try to get me down
and the storms of life are ragin' all around
oh Lord speak peace.
