Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors  
If you're talkin' 'bout candy coated diamonds  
If you're talkin' 'bout candy coated diamonds

Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors  
If you're talkin' 'bout candy coated diamonds  
If you're talkin' 'bout candy coated diamonds

First off, I'm icer than the muh'fuckers  
You can't help but see diamonds in all colors  
Is she stingy with the cho-cha? I'll pay for her  
Slim soldier, pocket stay bulgin'

BMU be the click I claim  
This universal, cut the check, niggas claim I changed  
Clothes maybe, I'm froze, baby  
You should talk the chick, why, hello ladies

Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors  
If you're talkin' 'bout candy coated diamonds  
If you're talkin' 'bout candy coated diamonds

Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors  
If you're talkin' 'bout candy coated diamonds  
If you're talkin' 'bout candy coated diamonds

I got ten 'round my neck, twenty on my wrists  
Billion dolla' nut, million dolla' kiss  
I swear to God this is my lifestyle  
Pull the Magnums out, ain't fuckin' with them lifestyles

Let ya hair down, baby, wipe me down  
Say goodbye to mixed drinks, hello Cristal  
Range Rove, twenty fours all in mid-day  
Yeah, that's the trouble we was talkin' 'bout ice

Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors

If you're talkin' 'bout candy coated diamonds  
If you're talkin' 'bout candy coated diamonds

Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors  
If you're talkin' 'bout candy coated diamonds  
If you're talkin' 'bout candy coated diamonds

Ten 'round my neck, twenty on my wrists  
Billion dolla', billion dolla', million dolla' kiss

Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors  
If you're talkin' 'bout candy coated diamonds

Blue raspberries, red strawberries  
Honey apple suckers, I got all kinds of colors  
If you're talkin' 'bout candy coated diamonds
