"Forever Dead"

Cut off from my life
Death opens wide his arms
The last curtain is fallen
Soon to be forgotten

Gone is my life
I'm caught forever more
I am deceased
Cry about my broken dreams

I fade to grey
Into the void
All is black
Forever dead

I open wide my eyes to see
My body lies deep in the soil
The flesh is rotting off my bones
Bones broke in parts now turn to dust

My life - is gone
Death caught me much too soon, I cry
My dreams stay unfulfilled
I raise my fist to god
Why did he do this to me?
I'll never be again
Left in the dark alone
To rot away

My soul rises in the air
Await to be reborn
I laugh to the sky
I start to dream again

Where is my life
When will I be again
Am I betrayed
I start to cry of fear

Yeah!

Dead, forever dead
