[Intro]

She's Say
Turn the lights off!
I'm like no!

This is! This is!
2 Pistols! Young Joe!

I like my Lights Low.

[Chorus]

Lights Down Low!
Nice 'n slow!
I'mma' give yo' body what its been there fo'!
Lights Down Low!
I'mma' Brawl!
Ain't no limitations, when this love unfolds!
Wanna' do you over here! Do you over there!
Don't tell nobody the freaky moments that we share!
Lights Down Low! (Oh Oh Oh)
Lights Down Low! (Oh Oh Oh)
Lights Down Low!
