I know she got it ?cause she lookin? at me like she want
it

She drop it low, make me wanna throw some d's on it
Whatever it is you can't stop it, ?cause she get low
When she on that pole, and that lets me know

She got it, she got it
She got it, she got it
She got it, she got it
She got it

She got it, she got it
She got it, whoa
She got it, shawty
She got it

Excuse me a while, let me talk to ya for a second
Lil mama so fine she got the whole squad sweatin?
Damn, how you fit all that in dem jeans?
Was the question that I asked followed by let me buy

Young boss baby I treat cha' treat cha' to the finer
things
Neck bling, wrist bling, wedding ring, nah I'm playin?

Might like to neck your wrist
But cha gotta ride nice dick and uh
Take trips with the bricks
She got it, she got it
(She got it)
That's what Pain said
Them other niggas lame man, lil mamma I got the
game plan
2 pistols, me and you boss I make it happen while they

Ridin? 6's while they walk
