[Chorus:]

Don't let his wrist game fool ya
You the deal, be my ghetto princess,
Needta leave him right where you found him
Shawty you gon' be straight without him
That's my word
And if your man can't please you, ain't real
Go on and kick him to the curb
Needta leave him right where you found him
Shawty you gon' be without him
That's my word

[Verse 1:]

Leave ya man I'm a betta look, why you stessin on me
Way to challenged[?] the... goddess
And I don't mind if you need time
Just as long as my number get dialed when you decide
to walk out
So much stress on these shoulders
We ain't gotta fck I just wanna hold ya, so close
Let you know that I'm here for you
Stop cryin, I don't wanna see no tears from you

[Chorus:]

Don't let his wrist game fool ya
You the deal, be my ghetto princess,
Needta leave him right where you found him
Shawty you gon' be straight without him
That's my word
And if your man can't please you, ain't real
Go and kick him to the curb
Needta leave him right where you found him
Shawty you gon' be without him
That's my word

[Verse 2:]

That's my word and I stand on it
Take a chance on me
Start answerin those fone calls, there homie
Move on, let's go do us
I'm thinkin bout the car seat in the rover truck
Nah, I don't wanna rest nothin

Just wanna let you know how committed I am to ya
Deep feeling for ya
I keep it 100 I'm the realest for ya

[Chorus:]

Don't let his wrist game fool ya
You the deal, be my ghetto princess,
Needta leave him right where you found him
Shawty you gon' be straight without him
That's my word
And if your man can't please you, ain't real
Go and kick him to the curb
Needta leave him right where you found him
Shawty you gon' be without him
That's my word

[Hook:]

Brand new life, sky blue iced out
Rings quart thous' tonight
Brand new life, sky blue iced out
Rings fly, you my wife

What I gotta do to make you my girl
Take you to the hood, show you my world

Yeah I'm on my grown man
Out in public hold hand
Don't you feel better now that you took a chance

Two seat equip, big body full equip
Hair blowin in the wind, shawty you straight with me
Chorus w/ Ad libs
Don't let his wrist game fool ya
You the deal, be my ghetto princess,
Needta leave him right where you found him
Shawty you gon' be straight without him
That's my word
And if your man can't please you, ain't real
Go and kick him to the curb
Needta leave him right where you found him
Shawty you gon' be without him
That's my word

[Talking:]

Songz and 2 P baby
You know there nothing ain't like us in the game
