Here we go, Way too fast, Don't slow down, We're gonna crash, So watch your step, Don't go back, You're gonna break your neck, So shut, Shut your mouth, Because I'm not listening anyhow, I've had enough of you, Enough to last a lifetime through, So what do you want from me? I got no words of sympathy for you, For you. Na Na Na Na Na, Don't slow down, We're gonna crash, Na Na Na Na Na, Don't slow down, We're gonna crash, Na Na Na Na Na, Don't slow down, We're gonna crash. Here we go, Way too fast, Don't slow down, We're gonna crash, You don't know what's been going down, You've been running all over town, So shut, Shut your mouth, Because I'm not listening anyhow, I've had enough of you, Enough to last a lifetime through, So what do you want from me? I got no words of sympathy for you, For you. Na Na Na Na Don't slow down, We're gonna crash, Na Na Na Na Na, Don't slow down, We're gonna crash, Na Na Na Na Na, Don't slow down, We're gonna crash. Here we go, Way too fast, Don't slow down, We're gonna crash, You don't know what's been going down, You've been running all over town, So shut, Shut your mouth, Because I'm not listening anyhow, I've had enough of you, Enough to last a lifetime through, So what do you want from me? I got no cure for sympathy for you, For you. Na Na Na Na Na, Don't slow down, We're gonna crash, Na Na Na Na Na, Don't slow down, We're gonna crash, Na Na Na Na Na, Don't slow down, We're gonna crash, Na Na Na Na Na, Don't slow down, We're gonna crash.
