we're coming clean to the new world order
we're at the front of the line today
we're breaking free of every boundry and every border
on the rise doay
we smash the past and we're falling forward falling
victim to our own dismay
don't count us out before the battle is over the
fortunate sons of disorder and disarray
we're breaking free of the new supreme today
we're calling out to the musical masses we come
together and we're able to smakt it
Jumpstart the Revolution
Kick down the Wal (Break Free the Chains) Today
Revolution now!
