Left my baby standing, Left her all alone, Left her standing in the middle of the night, Right down by the liquor store, And that's alright, Maybe it's just my style, Left her standing in the middle of the night, Whoa! That's what I like. My baby left me standing, She left me all alone, Left me standing in the middle of the night, Right down by the liquor store, Well that's alright, Maybe it's just my style, Left me standing in the middle of the night, By the... Whoa! That's what I like. Left my baby standing, Left her all alone, Left her standing in the middle of the night, Right down by the liquor store, And that's alright, Maybe it's just my style, Left her standing in the middle of the night, Whoa! That's what I like.
