"Hot Days"

It was a hot day
The sun was shining down on the sea
It was a hot day
Was thinkin' 'bout my baby and me

Then I got so excited
That I could hardly hide it
When I watched my baby
Cross the sands
And lay down by me

It was a hot day
Nothing but the blue skies above
It was a hot day
Think that I was fallin' in love

Then I got so excited
That I could hardly hide it
When I watched my baby
Cross the sands
And lay down by me

Warm days
And summer nights
With my girl
Makes me feel just right

Warm sand
The sun and the sea
Who cares
As long as there's baby and me

It was a hot day
Lazing on the beach in the sun
It was a hot day
Nothin' but the sunshine above

Then I got so excited
That I could hardly hide it
When I watched my baby
Cross the sands
And lay down by me
