I feel it in my fingers, I feel it in my toes  
Love is all around me and so the feeling grows  
It is written on the wind, it's everywhere I go  
So if you really love me, come on and let it show

You know I love you, I always will  
My mind's made up by the way that I feel  
There's no beginning, there be no end  
'Cause on my love, you can depend

I see your face before me as I lay on my bed  
I kind a get to thinkin' of all the things you said  
You gave your promise to me and I gave mine to you  
I need someone beside me in everything I do

You know I love you, I always will  
My mind's made up by the way that I feel  
There's no beginning, there be no end  
'Cause on my love, you can depend

It is written on the wind, it's everywhere I go  
So if you really love me, come on and let it show  
Come on and let it show, come on and let it show  
Come on and let it show, come on and let it show  
Come on and let it show
