Wild thing you make my heart sing
You make everything groovy, wild thing

Wild thing, I think I love you
But I wanna know for sure
Come on, hold me tight, I love you

Wild thing you make my heart sing
You make everything groovy, wild thing

Wild thing, I think you move me
But I wanna know for sure
So come on and hold me tight, you move me

Wild thing you make my heart sing
You make everything groovy, wild thing
Oh come on, come on wild thing
Check it, check it wild thing
