If it's love that you're running from there's no hiding  
place  
(you can't run, you can't hide, you can't run, you can't)  
Love was problems all over their problems, you just  
have to face  
(you can't run )

So if you just put your hand in mine  
We're gonna leave all our troubles behind

You're gonna walk and don't look back (don't look  
back)  
No, no, no don't look back, baby (don't look back)  
We won't look back, baby (don't look back)

Your past is behind you - there's nothing to remind you

If your first lover's broke your heart, there's something  
that can be done  
(you can't run, you can't hide, you can't run, you can't)  
'Cause if your baby's gone because of what he's done  
(you can't run, )

So if you just put your hand in mine  
We're gonna leave all our troubles behind

We're gonna walk and don't look back (don't look back)  
No, no, no don't look back, baby (don't look back)  
We won't look back, no, baby (don't look back)

Your past is behind you - there's nothing to remind you

Love can be such a beautiful thing though your first  
love let you down  
(you can't run, you can't hide, you can't run, you can't)  
'Cause I know we can make love grow the second time  
around  
(you can't run ) oh yeah

So if you just put your hand in mine  
We're gonna leave all our troubles behind

We're gonna push and don't look back (don't look back)  
No, no, no don't look back, baby (don't look back)  
We won't look back, now (don't look back)  
Don't look back, baby (don't look back)
