Stop that train, I want to get on, my baby she is leaving
me now x 2

She said she was going on the morning train,
She won't be back for long
She said my dear I do love you
No matter what they say or do

Stop that train, I want to get on, my baby she is leaving
me now x 2
Stop that train I want to get on, la la la la la la la la la
la Ouh yeah x 3

Instrumental Break

She said she was going on the morning train,
She won't be back for long

No matter what they say or do
