I was on my way to daytona i had my race gear in my pack
when a stranger pulled up beside me in a stock car painted black
He was dressed like a nascar driver mustach with mirrored eyes
said "its a long walk to florida would you like a ride son"
so i crawled acrossed the rollcage as he fired that chevy up
the patch on his sleeve said the man had won 7 winston cups
his eyes were intimidating as he rolled into the night
and i knew there was somthing strange about this ride

Chorus

He said boy can make fans stand and scream you name
can you hit em in the rear grab another gear still roll into victory lane
he said boy do you know how it feels to run three wide
cause if your daytoa bound let me warn you your in for a ride

and he cried when we got to daytona as he pulled onto the track and he said
this where you get out boy casue number 3 aint coming back
as i crawled out of that racecar i said thanks ill catch you later
he said it will be tough catching me boy CAUSE IM THE INTIMIDATOR!

Chorus

He said boy can make fans stand and scream you name
can you hit em in the rear grab another gear still roll into victory lane
he said boy do you know how it feels to run three wide
cause if your daytoa bound let me warn you your in for a ride

Chorus

He said boy can make fans stand and scream you
name

can you hit em in the rear grab another gear still roll
into victory lane

he said boy do you know how it feels to run three wide
cause if your daytona bound let me warn you your in for
a ride

if your dayton bound let me wrn you your in for a ride
youve been ridin with a legend hes a fast one
