Sharks
Bite
Kill
Sharks

(scream)

Sharks - pressured to be,
Cool and released
A horrible thing
Sharks - surrounding me,
Feeling unclean
And so dirty

Staying out the way
Terror at the bay
Sleep with the fish and still
I can hear you scream

If i was a shark:

Wouldn't be thinking twice
But all i can see around me all the time
And when i feel them bite down on my face
You can hear me scream
See them swimming killing spilling me
It's easier
So i'll look into the sky
And hope i get another try

Terror at the bay
Staying out they way
Sleep with the fish and now
I can't hear you scream
Swimming killing thrilling and i wish
That i could be like them
Underwater i pretend...

Woah - yeah.
Don't fuck with those sharks
Sharks can kill anything

Sharks will take everything

Take a bite
