And these walls
And these walls are filled with blame
And these walls
And these walls are filled with blame

And she's sitting in the primrose garden
And she's playing with her toys
Just another childlike ghost
The trees and animals cry

And you've shot down
And you've shot down
And she's taken far too young

And these walls
And these walls are filled with blame
And these walls
And these walls are filled with blame

And she's cut herself with stained glass window
And she's playing with her toys
Just another childlike ghost
The trees and animals cry

And you've shot down
And you've shot down
And she's taken far too young

And in my dreams I watch
(And you've shot down)
And in my dreams I watch Emily dance
(And you've shot down)

I watch Emily dance
(And she's taken far too young)
And in my dreams I watch Emily dance
I watch Emily dance

And in my dreams I watch
(And you've shot down)
And in my dreams I watch Emily dance
(And you've shot down)

I watch Emily dance
(And she's taken far too young)
And in my dreams I watch Emily dance
I watch Emily dance

And in my dreams I watch
(And you've shot down)
And in my dreams I watch Emily dance
(And you've shot down)

I watch Emily dance
(And she's taken far too young)
And in my dreams I watch Emily dance
I watch Emily dance
