(Toby Keith/Chuck Cannon)

She left a yellow rose and a long neck bottle  
On a table beside my bed  
With a short little note that said I had a good time  
It was written in lipstick red  
She didn't sign her name I wonder  
If that a little secret that she keeps  
Ooo... she's walkin' around in my sleep

Dream walkin', pillow talkin'  
She's callin' my name again  
Day's breakin' I ain't wakin' up, I'm sleepin' in  
I'm on a roll now, I gotta know how this dream ends

She took my new sunglasses and my old jean jacket  
And she never even bothered to ask  
You could say I haven't seen her since late last summer  
But every night she comes back  
Just like smoke through the keyhole  
She slips in so silently  
Ooo... she's walkin' around in my sleep

Dream walkin', pillow talkin'  
She's callin' my name again  
Day's breakin' I ain't wakin' up, I'm sleepin' in  
I'm on a roll now I gotta know how this dream ends

Ooo... there's a thin line between dreams and  
memories  
I'll be losin' my mind 'till she comes back to me

Dream walkin', pillow talkin'  
She's callin' my name again  
Day's breakin' I ain't wakin' up, I'm sleepin' in  
I'm on a roll now I gotta know how this dream ends  
I'm on a roll now I gotta know how this dream ends  
I'm on a roll now I gotta know how this dream ends

She's walkin' around in my sleep She's walkin' around  
in my sleep
