Just off of the two-lane where the school bus used to  
stop  
Was a little wooden A-frame with a yellow tin roof top  
One day it was raining on this world  
She said have you ever really, really ever kissed a girl?

Baby Ill be your Huckleberry, you dont have to double  
dare me  
If the storm gets wild and scary count on me to be right  
there  
Youre so extra ordinary sweet like maraschino cherries  
Well grow up and well get married  
Im gonna be your Huckleberry

Later on that summer we went to the county fair  
They had a brand new roller coaster and everyone was  
scared  
It was two bucks to experience the thrill  
She said come on boy lets get in line Ill ride it if you will

Baby Ill be your Huckleberry, you dont have to double  
dare me  
If the ride gets wild and scary count on me to be right  
there  
Youre so extra ordinary sweet like maraschino cherries  
Well grow up and well get married  
Im gonna be your Huckleberry

Snuck off on a slow dance at the junior/senior prom  
Went lookin for some romance before I had to get her  
home  
Steamin up the windows of my car  
She said until I get my wedding ring boy we cant go  
that far

Baby Ill be your Huckleberry, you dont have to double  
dare me  
If the world gets wild and scary count on me to be right  
there  
Youre so extra ordinary sweet like maraschino cherries  
We grew up and we got married

Now look at those three little Huckleberries
