(Allen Shamblin/Chuck Cannon)

If I could invent a time machine, then maybe
We'd both be seventeen

Crusing in my first car, acting like movie stars on a
Friday night
Do you remember those Friday nights?

We were a rock, ready to roll, there was a fire down in
our souls
And all the whole world had to stand still, then turn
around us
'Cause that was the deal
And oh how those nights went flowing like wine,
When I was all yours and you were all mine
And we were in love, yeah we were in love

I can still see you when I sleep, there is a picture I still
keep
You with your hair in the wind and me with that crazy
grin
Under summer skies when dreams where too young to
die

We were a rock, ready to roll, there was a fire down in
our souls
And all the whole world had to stand still, then turn
around us
'Cause that was the deal
And oh how those nights went flowing like wine,
When I was all yours and you were all mine
And we were in love, yeah we were in love

Oh I know, I know it sounds crazy but baby your still the
one
So let's find a way to bring back the days that our
hearts were forever young

We were a rock, ready to roll, there was a fire down in
our souls

And all the whole world had to stand still, then turn
around us
'Cause that was the deal
And oh how those nights went flowing like wine,
When I was all yours and you were all mine
And we were in love, yeah we were in love, yeah we
were in love
