yeah, here you come
knockin on my door baby
tell me what you got on your mind
I guess those college boys
all went home for the summer time
you're lookin right,
lookin good,
lookin like a woman should
so why is it so hard to find
a place to lay your pretty little head down once in a
while

you run on little tough luck baby
don't you sweat it
everything is waitin inside, for you
you know I got it
so come and get it

who's your daddy
who's your baby
who's your buddy
who's your friend
and whos' the one guy
that you come runnin to
when your love life's
starts stumblin
I got the money
if you've got the honey
let's cut a deal
let's make a plan
who's your daddy
who's your baby
who's your buddy
who's your man
(SOLO)
you might've
run on a little tough luck baby
(did ya) don't you sweat it
everything is waitin inside for ya
you know I got it
so come an get it

who's your daddy
who's your baby
who's your buddy
ya who's your friend
and who's the one guy
that you come runnin to
ya when your love life's
start stumblin
I got the money
if you've got the honey
let's cut a deal
let's make a plan
who's your daddy
who's your baby
who's your buddy
who's your man

who's your daddy
who's your baby
who's your buddy
who's your man
