Baby I'm in love  
Baby I'm in love

Ah, don't be checking me  
Baby I ain't free  
Maybe on my own but  
I'm not alone  
I got, I got a good thing  
Doesn't really matter boy what you have  
I don't need no rock to be off the block  
No more tears you bring, gonna change a thing  
What we have is so real  
You don't need to prove to me how he feels

[Bridge:]

'cause I'm in too deep  
To blow a good thing  
And one nice mischief  
Could cost me everything thing I want

[Chorus:]

'cause baby I'm in love with the one I'm with  
Sorry if you don't approve  
I've got plans with the one I'm with  
They're a lifetime of being true  
Baby in a different place of time  
Baby that I might've changed my mind  
But it's like this  
Baby I'm in love with the one I'm with

I'm in love I'm in love  
I'm in love I'm in love

It's the cheapest talk and the foolish walk  
To be running games, and be hiding things  
Behind the one you loves back  
Don't be doing him, run like that  
Yes it's flattering that you're feeling me  
But I got to say that it's all for me

There's nothing that I will do (nothing I will do)  
To run the risk of losing him over you

[Bridge:]

'cause I'm in too deep  
To blow a good thing  
And one nice mischief  
Could cost me everything thing I want

[Chorus:]

'cause baby I'm in love with the one I'm with  
Sorry if you don't approve  
I've got plans with the one I'm with  
They're a lifetime of being true  
Baby in a different place of time  
Baby that I might've changed my mind  
But it's like this  
Baby I'm in love with the one I'm with

I'm in love I'm in love  
I'm in love I'm in love

'cause my heart  
Is taken by the one  
That I got  
And I am going to prove  
That you can trust someone  
The one you love

[Chorus:]

'cause baby I'm in love with the one I'm with  
Sorry if you don't approve  
I've got plans with the one I'm with  
They're a lifetime of being true  
Baby in a different place of time  
Baby that I might've changed my mind  
But it's like this  
Baby I'm in love with the one I'm with

[repeat chorus 2x]

Oh baby I'm in love with the one I'm with

I'm in love  
I'm in love  
I'm in love  
I'm in love
