Annie Mae, Annie Mae  
Seems I've gone and lost my way  
As situations go, I think that I can safely say  
I'm lost, baby, find me  
I'm lost, baby, find me  
I wonder where you were

Annie Mae, Annie Mae  
Another bed I've found to stay  
Another bed I've found to wrap my evil head around  
I'm lost, baby, find me  
I'm lost, baby, find me  
And tell me where you were

God, you look fine, Annie?  
Have you got a line, Annie?  
I've lost my mind Annie  
But the sun is shining high today

I slipped though time, Annie  
Don'tcha drop dime, Annie  
I see it in your eyes, Annie  
When the sun went back behind the clouds

You used to be mine, Annie  
Alone in twilight, Annie  
Alone in twilight, Annie  
In between the day and the night

God, you look fine, Annie?  
Have you got a line, Annie?  
I've lost my mind Annie  
But the sun is shining high today

I slipped though time, Annie  
Don'tcha drop dime, Annie  
I see it in your eyes, Annie  
The sun went back behind the clouds

You used to be mine, Annie  
Alone in twilight, Annie  
Alone in twilight, Annie

In between the day and the night
