Down around the corner  
Lives a naughty little girl  
Who clicks her tongue  
I love the way she talk

She pay no attention  
Knows I'm one of them sad boys  
Who's hypnotized by  
Girls who walk the walk

I'm no good and I like it  
And the end is comin' soon  
Above, the lion  
Is hungry for the dark side of the

Decatur, complicator, I want a little more  
The savior of misbehavior  
It's alright, circle tight, say goodnight  
Hit the town, yeah, hit the town, yeah

Up high the sky is dark and wide  
Tonight it looks like it's gonna fall  
Are you all alone or shall I squire you home  
Or would you rather see me crawl?

I know what I had and I know what I got  
Maybe my soul is like a vacant lot shot

Baby, it's complicated  
Though I'll never know  
A favor to run away, you wanna party?  
You wanna party? You wanna?

Do ya, do ya wanna roll with me?  
Do ya, do ya, do ya wanna roll with me?  
'Cause I'm juvenile, impractical  
And I'll make you cry, hysterical

You wanna ride? Ain't nuthin' free  
See somethin' you like, you've gotta pay me  
You've gotta pay me, sure, you've gotta pay me  
You've gotta pay me or play me

Girl, you've gotta pay me now

Pay me now, pay me now

Pay me later, you're gonna pay me, girl

Pay me now, pay me now

You'll pay me later, you'll pay me later

You're gonna pay me, girl

You're going to, you're going to

You're going to pay me
