Careful when you look into my eyes
you'll turn to stone,
but I am not so strong to let you go.

Tell me does it scare you
when I look the other way
through the walls into your very soul?

I get lucky sometimes.
I get lucky sometimes.

Shakes me down for secrets
of the life under the sheets,
but I'm not so dumb to let you know.

Whispers in the secrets
come without the harmony
but I have still have one card I've yet to show.

I get lucky sometimes.
I get lucky sometimes.

Once you know your way down, half belongs to you.
Once you know your way down, half belongs to you.

Tell me, tell me, why don't you tell me back
the reasons why you're lying in the dark
when there's a monster in your head?
And tell me, tell me, don't run away to buy more
complication,
she'll find the time of day and the summer shine again.

I get lucky sometimes.
I get lucky sometimes.

Once you know your way down, half belongs to you.
Once you know your way down, half belongs to you.
Once you know the way down, half belongs to you.
Once you know the way down, half belongs to you.
Once you know the way down, half belongs to you.
Once you know the way down, half belongs to you.
