Black out the windows  
It's party time  
You know how I love stormy weather  
So, let's all play suicide

The crowd wants you bleeding  
The eyes from your head  
Get off your knees  
You'll be fine-

How wide?  
How deep the river?  
Black-as dark as night  
How long?  
How far?  
I'll know when I get to the other side

Whatever it is you've stolen  
I'll recognize  
I'll sympathize  
I reckon that I've seen it all-  
and start falling-

I breathe in  
Unchain myself-  
Tonight's the night  
No wind, rain, conversation-  
Brings me back alive tonight  
How wide?  
How deep the river black as night?

Black out the windows  
It's party time  
I see a light  
That I recognize...
