Do you remember when I told you that I had a tale to tell?

Let me regale you child, about a life spent on the rail

Forget me not, don't forget it

Forget me not, don't forget it

Forget me not, don't forget it

'Cuz I'll be gone in a minute

And whenever the drugstore man used to come around

I'd bite my lip and then I'd take myself to town

Forget me not, don't forget it

'Cuz I'll be gone in a minute

Forget me not, don't forget it

'Cuz I'll be gone in a minute

Forget me not, don't forget it

'Cuz I'll be gone in a minute

Forget me not, don't forget it

Don't call me no more, no more

Nobody ever needs ya when you're this far gone

This far gone

Nobody ever needs ya when you're this far gone

Now you say the trains a'comin' but I don't see it on the track

Last trains eleven and it ain't comin' back

Forget me not, don't forget it

'Cuz I'll be gone in a minute

Forget me not, don't forget it

'Cuz I'll be gone in a minute

Forget me not, don't forget it

'Cuz I'll be gone in a minute

'Cuz I'll be gone in a minute

I'll be gone in a minute

Don't call me no more, no more

'Cuz nobody ever needs ya when you're gone

When you're gone

When you're gone

When you're [Incomprehensible] far gone
