When darkness falls on summer's end
So in your absence I shall begin
When darkness falls, the race is done
And love lives not when hope is gone
Goodbye, sufer

Everything's gonna be alright
Everything's gonna be alright, baby
You'll see

Everything's gonna be alright
Everything's gonna be alright

The longest night of every year I spent beside you,
baby
Do you remember anything about me?
I was the one when hope was gone
Who took too long to sing this song

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

When darkness falls on summer's end
So in your absence I shall begin
When darkness falls, the race is through

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
