"For You"

For you I'm waiting
The perfect love
For you I'm waiting
You're all the things
I'm dreaming of

For you I'm waiting
To show you all
The virtues of love
For you I'm waiting
To see our hearts
Together as one

CHORUS
In every moment
In every way
Our love will go on
In every moment
Of every day
It's love we believe in
Our love will be leading us on

If you are waiting
For perfect love
Anticipating
The peace and joy
Of lifetime love

For you I'm waiting
With open arms
Eternal love (everlasting love)
There's no mistaking
Our souls embrace
Together as one

CHORUS
