[Soup]

Well my name, Zaakir

I'm versatile

Plus I never eat the cow if ain't Hilal

While you rap or bit our styles in the third degree

Myself and 7even tight like cornbread Earl and me

Showcase with the voice that's Oh so fresh

And I can still serve a brotha in a minute or less

I can talk all day but I'mma save my breath

And let my nigga Marc 7even just do the rest

[Marc 7]

I'll do the rest

But I won't rest

Get fresh off of any beat you suggest

High tech with the combination we prepare

Rap concierge behind there kickin' the snare

Now check it

Marc's the word

7even marks the spot

Guaranteed to keep it hot

If you like it or not

MC's is ink blots

We verbal potshots

Takin' the top spot

We clutchin' top notch like...

[Soup]

And together we, will forever be

High Fidelity

Definitely

Switchin' the melody

Can it be

The Casanova speech therapy

That heavily puts the flavor right where it should be

My words have been connected to the poets of old

The way I utilize the pen I turn ink to gold

Keep it overly creative

Innovator of soul

Now check the flavor from the fader

Which my DJ holds

Samples

[Both] (2X)

And together we
Will forever be
High Fidelity
Definitely
Switchin' the melody
Can it be the brothers that you rarely see
That got together for the better
Whether him or me

[Marc 7]

You better remember these
Incredible MC's
Our sounds invade spread plagues just like a lepresy
Our weapons be our vocals
Guaranteed to smoke you
Better think twice about steppin'
We nice
Never focused on ice
And still comin' off tight
It's like the color of night
I mean the beat is so right
Damn!
Soup and 7even
Infiltrate your heart
The beat that's compliment of DJ Nu-Mark

[Soup]

And it's the fifth element
Never repetitive
Highly competitive
Classy and elegant
Super intelligent we're tellin' it to ladies and gents
Never irrelevant now do I have to say it again

[Marc 7]

The fifth element
Never be hesitant
Totally accurate
Present or past tense
We immaculate in fact you get a whole crew
Backin' it
Hit 'chu with my two inch tape
And show you what workin' with

[Both]

And together we
Will forever be

High Fidelity
Definitely
Switchin' the melody
Can it be the way that we demonstrate
Our Wonder-Twin powers we activate

[Soup]
I'll tear a competitor
Pluck 'em like chicken feathers
I'm better than ever
Incredible poetical editor
Dead or be better
I bet'cha regardless the whether
Whenever with clever endeavors
When me and 7even rappin' together

[Marc 7]
Your style is post mortem
No decorum
Style pourin'
We explorin'
You ignorin'
I'm the foreman
Longshoreman
And I'm sure when you tourin'
That you whack and you borin'
