[Jurassic 5]

Yo, we are no superstars  
Who wanna be large and forget who we are  
Don't judge us by bank accounts and big cars  
No matter how bright we shine we're far from being  
stars  
Cause stars fall, and disintegrate before they hit the  
Asphalt, they incinerate cause we came  
Not to destroy the law but to fulfill  
For those who appreciate those with skills  
And fresh windmills, and graf that kills  
What is a DJ without the scratch to build?  
Without the elements, it's all irrelevant  
Niggas love to Freestyle but hate to Fellowship

[Zaakir]

Yeah, taste the city's agenda, most of you outta town  
niggas  
Get caught up and turn bitter, the city of bullshitters  
Where hopes are blown, not even money for the phone  
Now tell me what's the solution, how to get back home?

[Charli 2na]

Yo, don't get caught up in glamor and glitz and camera  
tricks  
The Land of the Dead, before you come examine your  
set  
Where drama collects and women use special effects  
Where amateur stunts can make a nigga damage your  
fronts

[Akil]

Uh, the California Sunkist with a twist of limelight  
Some set trip on the Sunset Strip  
Belive the Hide Boulevard nice, the glamorous life  
Many searching for the fame but can't afford the price

[Marc 7even]

She would turn you out if you wasn't prepared  
She would tell you the things you wanted to hear  
She would blur your vision when it once was clear

This chick is full of tricks so approach with fear, cause

[Jurassic 5]

Yo, we are no superstars

Who wanna be large and forget who we are

Don't judge us by bank accounts and big cars

No matter how bright we shine we're far from being  
stars

[Zaakir]

You say you love LA, you say the weather is great

Plenty sun in your face, you like the cars with bass

You like the way we paperchase and the women that  
shake

In the land of earthquakes and high crime rates

A lot of people is fake, this is Hollywood

We shape the minds of kids in every hood

We make your past situation look good

The nights filled with Shugs and I wish you would

[Marc 7even]

Can dance with Alvin Haley and Les Miserables

In this century city, you can walk on the stars

Sex, money, and murder, yeah it's all 4 to 5

Cause fame and passerby with the name immortalized

[Akil]

On the avenue of stars, many names are called

On the boulevard, known for leaving permanent scars

Many dreams get robbed, real movie macabre

Young heartthrobs get young heart sobs, cause

"Good evenening ladies and gentlemen welcome to  
Hollywood, California"

[Charli 2na]

The city of angel's wings represents people's hopes  
and dreams

And the evil that men do that live life close to kings

And boast supreme, fancy cars, coats, and cream

Material things provoke more folks to scheme

Whether you paid your cost, Cali green made your call

The smog covers the city like a table cloth

Is it fame at fault? Entertainers labeled soft

The place where people come to lose their train of  
thought

[Zaakir]

Despite the claims of what LA is and what it ain't

The picture the city paints that overexaggerates

Within the circus, if you're filling this service purpose

Some feel it ain't worth it, the city that's got you  
nervous  
And make you injure, and get up out of here nigga  
Cause LA never considered for those that need baby  
sitters  
This is the hot bed for singles and newlyweds  
Some looking for better gigs or fiending to make it big  
It's the only place where stars are born  
And we are the only ones that can't be worn  
Out, by any place regardless of the cost  
Cause brothers with big dreams, sometimes they get  
lost cause

[Jurassic 5]  
Yo, we are no superstars  
Who wanna be large and forget who we are  
Don't judge us by bank accounts and big cars  
No matter how bright we shine we're far from being

Asfalt, they incinerate cause we came  
Not to destroy the law but to fulfill  
For those who appreciate those with skills  
And..., and...  
What is a DJ without the (scratching)  
Without the elements, it's all irrelevant  
(I represent the real from the beginning to the end of it)
