[Chali 2na]

Yo, Your image deceives what your people perceive
Some people believe what the media feeds, TV MCs
That try to bark hollow...pretend to be harsh fellows
But be yellow and softer than marshmallows

[All]

Oh you one of them niggas!

[Juju]

Homo I'ma hurt ya feelings
Name brand talkers...pretty ass earrings
Where are all your women I ain't seen you with one
The only bitch that ever loved you gotta call you her son
Yeah, you that nigga...choch ass nigga
No heart...won't even approach us nigga
So you be humble man...stay in your place
We them niggas that rumble and get in your face

[All]

Oh you one of them niggas!

[Marc 7]

Concerned with lookin' cute...nails done, eyes plucked
Homie, what the fuck?...I mean really whassup
Help a brother understand
How self-admiration takes the soul of a man
Damn, vain ass, plain ass, nothing ass niggas
Get your punk ass out the goddamn mirror

[All]

You one of them niggas!

[Cuts: DJNu-Mark]

Real niggas do real things and that's a fact

[All]

Oh you one of them niggas!

[Cuts: DJNu-Mark]

Are you in with the heart or are you in it for the funds

[All]

Oh you one of them niggas!

[Aki]

Uh Mr. Know-It-All, flossy floss, all talk

Head Mr. A&R ...we ain't hard, who the fuck said we was?

You never heard us holla...Crip or Blood or I'm a thug

[All]

You one of them niggas!

[Zaakir(Soup)]

You wanna rhyme like that?

You won't get signed like that

Ya'll need the R&B track

Or call some sister sluts

Tell them...back that thang up

'Cause only real niggas spit game that much

[All]

You one of them niggas!

[Chali 2na]

Right off the bat...what you speak is contrived

Its like you're cloaked in a Pinocchio vibe

And when you lie...you play with the dream

You make it decay at the seams

You can fix it...if you say what you mean

[All]

You one of them niggas!

[Juju]

Pick and choose who you beef with

Leap froggy, Show me how real you keep it

And know that you pussy all underneath it

Now it's time for the 5 to expose your secret

[All]

You one of them niggas!

[Cuts: DJNu-Mark]

Shake up...foo's be faker than make up...HA!

[All]

Oh you one of them niggas!

[Cuts: DJNu-Mark]

Are you in with the heart or are you in it for the funds

[All]

You one of them niggas!

[Cuts: DJNu-Mark]

Knock this pretty boy kaz on they ass...each time we drop...kid

[All]

Oh you one of them niggas!

[Marc 7]

No time for idle chattin'...folks say what's happening
'Til we go platinum...house in the Hamptons
Bank account large...give sha-tan my cold regards
There's a killer at large...and he murders his team?
'Cause he strips black teens of all their dreams

[All]

You one of them niggas!

[Akil]

Yeah what you trying to prove
Keep it gangsta where I'm from...means the G's move
Now everybody wanna pop that shit
Walk like a Crip...what part of the game is this?
Don't get caught up the twist of some gang bang shit
But then you probably would...fascinated with the hood

[All]

You one of them niggas!

[Zaakir(Soup)]

Man...enough is enough...I know that you're ghetto
But thinkin' you tough?...your possie is deep
And when you speak it's fuck the police
Am I to believe...is that the way you really would be
If only we see...what there is no cameras allowed
And your bodyguard didn't have to hold your hand
through the crowd

[All]

You one of them niggas!
