[Zaakir]

Yo, I create off drum drops and ate away blacktops  
Grab the mic so you don't react  
The double X Polo shirt with the hat to match  
In fact, we verbally vibrate your track

[Marc 7even]

Then crush your confidence like plastic condiments  
Build you up to break you down like forgotten  
monuments  
The question is this: will they return with the hot shit?  
Or keep it on the low flow

[Charli 2na]

Yo, and for you confused bastards, Tuna the blues  
master  
Quick to grib the mic, crews fast and soundclashing  
Critical mass, pinnacle blast have been deflected  
Hypodermic vocals I flash get you infected

[Akil]

I don't sip on brew, so this Bud's for you  
Speak when spoken to whenever you come through  
My vibes fill you, Internal Revenue  
You rhyme prostitute for little or no loot

[Jurassic 5]

Cause a lotta these kids think that commercial  
Is rocking fly suits and jewelry  
But we can rock shows with no rehearsal  
With the Rebels of Rhythm and Unity

[Zaakir]

Yeah, cause I'm nice, smooth, hard as a bone  
Since I pick up the microphone I'm hotter than  
brimstone  
The razor sharp crossbow accurate  
We drop the multiverbal miligram suppliment

[Akil]

Plus in bed, theological word advance

Been Too Legit To Quit before the Hammer pants  
The parent to the pen converts words to song  
Stay blacker than the New Year Harlem Renaissance

[Charli 2na]

No comp, we paint a darker picture, in your sector  
Perfect verbal architecture, sparking lectures  
Lyrics infectious, fuck your Lexus  
If you ain't giving God your praise then it's useless  
Like when MC's try to make hits and them shits flop  
Running races like they was Penelope Pitstop  
Develop these hits rock bottem, the disk jock got 'em  
Souped up, but his rhyme is beating his loops up

[Jurassic 5]

Like dah dah (dah dah)  
Bah dee dee dee dah dah (Dah dee dee dee dah dah)  
Bah dah dah dah dee dee dee dah dah

[Marc 7even]

I can see clearly now, top of the pile with my style  
Check the profile, it shifts like sundial  
Crisp like young smiles, we rip and run wild  
Intent to rock crowds, some bite like rottwils

[Akil]

Your game is disconnected, misdirected  
Disrespected, when we come in, expect some next shit  
The J-U-R-A, classical forte  
Get low down & dirty like the inner ?Moray?

[Zaakir]

My heart pump the rhythm of the militant street life  
Soldier of composure up under the street light  
The coat style, prototype, professional  
Media light shine bright, now kill all the  
Bullshit, cheap talk and lip service  
Jealousy and envy and undertone cursed in your verses  
Serve the purpose of a nigga living nervous  
Unsure and uncertain but about to short circuit

[Jurassic 5]

Like dah dah (dah dah)  
Bah dee dee dee dah dah (Bah dee dee dee dah dah)  
Bah dah dah dah dee dee dee dah dah (Repeat  
2x)

[Marc 7even]

Ayo my gift of gab should be sold in bags  
Boost up the price tag, make a wack rapper mad  
Rely on my right side, securing our tape tight

Tasty tangibles to your mandible and clavicle

[Charli 2na]

Yo, easily 2na be, cleverly swelling my treasury  
Vocal pedigree for you critics who try to measure me  
But easily I'm about to run you down my resume  
Had a bundle of struggle from birth to my present day

[Akil]

Yo, your love don't compute, perhaps you need a boost  
A magical flute, some nose candy to toot  
Before you get loose, express and tear the roof  
You claim you got the juice, but you lame and out the  
loop

[Zaakir]

So I associated myself with fossilized figures  
Crack the summer sizzler, hit the real live niggas  
My influence is gunshots and trauma units  
Street trends, with material word friends

[Jurassic 5]

Like dah dah (dah dah)  
Bah dee dee dee dah dah (Bah dee dee dee dah dah)  
Bah dah dah dah dee dee dee dee dah dah (Repeat  
2x)
