Maggot-ridden throne of entropy  
Surmounted with grim, imperious disdain  
By one who gazes inscrutably  
Over a charnel-house creation  
Pulling your strings like some spastic puppet

Bear your cross with chagrin  
Ground into the dust with the others

Sworn only to it's own glorification  
A universal slave driver  
A whip-hand raised in triumph

Trapped within a prison reality  
Crushed beneath life...
