Fuck saying 'sorry' cause 'sorry' is for suckers  
Get on your knees and start sucking  
You sorry motherfuckers  
Fuck saying 'sorry' I don't care if you cry  
When you're the one who's sorry cause I dotted your  
eye

FUCK SORRY!  
Fuck saying 'sorry' and I damn well meant it  
If your mail's exploding, then I'm the one who sent it  
Fuck saying 'sorry' I don't care if you're screaming  
When you're laying on the ground and  
You're fucking bleeding

FUCK SORRY!
