Complete confusion
Turns into delusion
Endless cycle of worry and fear
Drowning and frantic
Just one constant panic
Alone and forgotten you wait
Waiting for something
That will never come
Roaming the maze of your mind

Life kills on
Spinning round and round
Life kills on
I'm not me now
Life kills on
I'm someone forgotten
Life kills on
I've lost my way home
You're mind it slipped away
Slipped away so long ago
And I can see it in your
In your unknowing stare
Your once beautiful body remains
Trapped in this human shell
The last piece of the puzzle
Will there be death with dignity

Life kills on
Spinning round and round
Life kills on
I'm not me now
Life kills on
I'm someone forgotten
Life kills on
I've lost my way home

Life kills on
Spinning round and round
Life kills on
I'm not me now
Life kills on

I'm someone forgotten
Life kills on
I've lost my way home
