We got a party going on, get ya hands up  
Get ya hands up, get ya hands up  
We got a party going on, get ya hands up  
Get ya hands up, get ya hands up

Every week and minute  
I sit here thinkin' of you  
And can't wait to get in it  
I'm waitin' for the week to be through

Saturday is the only day I wake up thinkin' 'bout  
'Cuz any other day is just another day no doubt  
'Cuz every time I think about you, thoughts go through  
my mind  
And everybody is working for the weekend

Everything is open on a Saturday night  
Do knock out all my fellows with their honey by my side  
The DJ spins a record till it hits the morning light  
And everything's gonna be okay, 'cuz it's a Saturday

Ain't thinkin' 'bout Monday or Tuesday  
Or Wednesday, it's alright  
Ain't thinkin' 'bout Thursday or Friday  
'Cuz tonight's a Saturday night

Every week and hour  
I think about you sitting right by my side  
And I can't wait much longer  
Wanna show you how I feel for you tonight

Saturday is the only day I wake up thinkin' 'bout  
'Cuz any other day is just another day no doubt  
'Cuz every time I think about you, thoughts go through  
my mind  
And everybody is working for the weekend

Everything is open on a Saturday night
