Ta to da lo air cool da king

An calini amhain sa teacht seo.

Loving you my dear

Is like a heavenly choir

You left, and your wings

Are still with me darling

You left your wings with me.

Refrain :

I'll always love you

Like my note, like a true

Saving heart

You touched my sorrowful soul

You left your wings with me.

And about our love

Is that you conquered me so

So slowly, so softly, so carefully

So slowly, so softly so dear

Refrain

I'll always love you

Like my note, like a true

Saving heart

You touched my sorrowful soul

You left your wings are still with me

Goma Gog Go Ama Gog
