Refrain :

Save me in the morning

I'll try to understand

Say goodbye and we'll be free

Save me in the evening

And no diamonds are my friends

You mean everything to me.

Come on little angel

Let us find a place

Where we'll live together

In harmony and peace.

Refrain :

Save me in the morning

I'll try to understand

Say goodbye and we'll be free

Save me in the evening

And no diamonds are my friends

You mean everything to me.

Life is all so short love

So come on hold me tight

And we'll find a better place

Where we can spend all night.

Refrain :

Save me in the morning

I'll try to understand

Say goodbye and we'll be free

Save me in the evening

And no diamonds are my friends

You mean everything to me
