[Verse One: DJ DMD]

I'm DMD and I'ma hustler 25 hours
a day 8 days a week all work no play

in the mix always on my grind
I gots to stack chips if I'm ever gon'shine
and blind these haters with some diamond rings
a playa grinding tryna have the finier things
plush SUV's forget the grain I want okley
the first man to buy my mama a mink coat and a
pink boat so she can sell the 7 seas
come down so hard the laws think I'm movin keys
but I slang raps like a dealer slang crack

I gotta name that fits me describe me to the D

[Chorus: DJ DMD 2x}
